HaDEA
What is HaDEA?

• The **European Health and Digital Executive Agency** (HaDEA) is a new executive agency established by the EC, operational since 1 April 2021.

• Executive agencies are set up and supported by the EC to manage funding programmes on its behalf.

• **HaDEA implements specific funding programmes related to health, digital, food safety, industry and space.**

• The **total budget** managed by HaDEA >€20 billion over 2021-2027.

• HaDEA currently has 280 staff, set to grow to ~500 staff by 2027.
Overview

• HaDEA addresses the Commission’s ambition to **help rebuild a post-COVID-19 Europe** at its heart, which will be greener, more digital, more resilient and better prepared for the current and forthcoming challenges.

• **Works closely with various departments of the European Commission** i.e. DG SANTE (lead), DG Research & Innovation, DG CNECT, DG GROW, DG DEFIS, which focus on legislative and strategic tasks in policymaking.

• **HaDEA manages 6 new European programmes** for the Commission.

• **HaDEA also manages the “legacy” programmes – such as Horizon 2020** (eg >530 ongoing projects from Horizon 2020 – “Health”)
