  Climate, Energy and Mobility

from 34 billion to > 55 billion
from 300 staff to > 500 in 2027
Key contribution to the European Green Deal

- Implementing the new portfolio supports the European Green Deal - the roadmap for making the EU’s economy sustainable.

- Aiming to boost the efficient use of resources by moving to a clean circular economy, restore biodiversity, cut pollution, and achieve climate neutrality by 2050.
CINEA added value

Experienced team with the right expertise to support:

- the Commission with the implementation of EU policies;
- Beneficiaries and project promoters in managing the complete lifecycle of their projects.
From H2020 to Horizon Europe Cluster 5
